MEMORANDUM FOR: Legislative Counsel

SUBJECT: S. 1309, To amend the Federal Employees' Compensation Act, approved 7 September 1916, as amended, by providing for reimbursement of expenditures from the Employees' Compensation Fund by Federal employing agencies, and for other purposes

1. In response to your request, subject Bill has been reviewed as a basis for comment as to whether it is of interest to Agency activities and whether further action by your office is necessary or desired. In the absence of any background information on this proposal, it is difficult to address the intended objectives. We cannot see that any savings would accrue to the Government as a result of reimbursement to the Employees' Compensation Fund and it would seem that additional costs would be involved in processing such reimbursements.

2. We have no comments on section 1 and would recommend support of section 2. However, it is possible that reporting requirements established under the provisions of section 3 (amending section 35(a) of the Act) could present some difficult security problems.

3. We would appreciate receiving any further information regarding the progress of this proposal.
